# ICT - Master Class

Training that is ideal for anyone looking for a career in ICT

---

Softlink Options is a Kenyan software company. We have access to state of the art infrastructure that enables us to undertake and accomplish Projects of any volume and complexity within deadlines without compromising on quality.

The Master Class Course is designed to give fresh graduates, hands-on experience in the field of IT.

It also aims at equipping IT graduates who are considering setting up their own businesses, by giving them practical training in, sourcing for clients, preparing quotations, tender applications and building customer loyalty.

By the end of the Master Class each graduates will have built their own portfolio.

---
